

Hello there soccer parents,

My name is Coach Tengvall and Coach Beaton and I are excited to inform you that your son made the team for the 2026 season! We had a pretty intense week of try-outs and cuts were very difficult to make but your son made it! Below is information about our upcoming season, please reach out to me with any questions or concerns.

**Link to Soccer Schedule:** [2026 Soccer](#)

Ticket prices usually range from \$2-5.

**Coaches Contact:**

Beaton (8th Grade) [jbeaton@conroeisd.net](mailto:jbeaton@conroeisd.net)

Tengvall (7th Grade) [mtengvall@conroeisd.net](mailto:mtengvall@conroeisd.net)

**Weekly Schedule:** We will practice on Monday's, Tuesday's, and Wednesdays after school starting at 4:15 pm and ending at 5:15 pm. If you are unable to pick up your son from Irons, please ensure they are signed up for the late bus. You can do this process here. [Late Bus](#)

**Away Games:** We will have three away games this season, and they will be located at [Lynn Lucas Middle School](#), [Knox Junior High](#), and [Stockton Junior High](#). The bus will take your son to the game, and we have the option this season to take your son home after the game (shoutout to Coach Tengvall for getting his CDL lol). If you attend the game and wish to take your son home straight after, that is totally fine, just let myself or Coach T know! **If your son is riding the bus home after the game, we aim to be back @ Irons around 7:45 pm.**

**8<sup>th</sup> grade parents only:** Your child will also be participating in an 8<sup>th</sup> grade district wide tournament on May 7th and May 8th, and it will be located at Stockton High Junior High! The 7th is on a Thursday, and the 8th is on a Friday. We will treat them as if it is a regular game for the set-up (bus leaves from Irons after school, pick up your son at Stockton! If your son will not be able to attend the tournament on those days, please let me know ASAP so I can handle it accordingly. If there are any changes to the tournament we will let you know as soon as possible.

**Pre-Game Meals:** They are not required but strongly recommended. Here is the link to sign up for Firehouse Subs [Pre-game Meals](#).

**Spirit Package:** Just want to remind everybody that your son must purchase the school spirit bundle for the soccer program. They will receive an Irons Soccer shirt (worn on

game-days), a yard sign, and a car decal. If you are unable to purchase the package at this moment, please reach out to me and I will do my best to help! This is the link to the Bundle Website : [Irons Soccer – NH Athletics Shops](#). There are also additional options for you to buy shirts for yourself, or other family members! It would be really awesome and supportive to the soccer team to look into the stands and see parents / family members wearing Irons gear or any type of red clothing!

**Missing Practices / Games:** I totally understand that we all have lives outside of school. If your child is unable to make it for a certain practice or to a certain game, please reach out to myself or Coach Tengvall in a timely manner. If your son is sick or injured and will not be able to go to a game, let us know ASAP so we can plan accordingly. Please keep in mind if your son has unexcused absences for practice, it could impact his play time during the game. A quick email saying "Hey Coach, my son will not make it to Wednesday's practice because of....", goes a long way!!

**Rank-One:** This is a very very important step in the process of having your son eligible to play. Please make sure you have done this process correctly. Go to our school athletics website ([Irons Boys Athletics](#)) and on the very first page there is a link titled "Rank One Instructions". This link will give you detailed instructions on how to sign up for Rank One.

**Late Bus Registration:** If your son will be riding the late bus after practice this season, please make sure to sign up for that option. [Transportation](#) this is the link to the registration. It takes literally 2 minutes. If you have not signed up for the late bus, they may not let your son ride it.

**School Behavior and Classroom Expectations:** Please remind your son of school behavior and classroom etiquette. Like I said last Friday, I am trying to build a culture within the Irons Soccer program of respectful, hard-working, talented young men that can carry over to Oak Ridge High school. I do not foresee this as an issue because ALL of your sons are awesome students who are a pleasure to coach, but it does not hurt to remind them! I am going to lay out a blueprint of discipline actions taken by myself or coach Tengvall for the following instances:

**Tardies** : Please ensure that your son is on time to EVERY class EVERY day. If your son has more than one tardy per week prior to games, it could affect his play-time.

**Referrals** : I have a zero-tolerance policy for referrals. If your son gets a referral they will not play in the next available game.

**Fights / Disrespect to School Faculty** : If your child is involved in a fight at school or has been overly disrespectful to a school staff member (teacher, custodian, secretary, councilor, AP, etc.) they could possibly be removed from the team.

Again, I do not foresee any of those things being an issue, but the blueprint is there just in case problems do arise! This policy may seem a bit harsh, but I love the saying "Rome was not built in a day", meaning, I want to build the best possible Junior High Soccer program in the district, and it ALL starts with how your son behaves whenever a coach is NOT looking at him.

**Donations:** If any parents are willing to donate any old soccer cleats, shin guards, goalie gloves, etc., please bring them and have your son donate them to me after a practice! That way we will have PLENTY of spares, just in case your son forgets his shin guards or cleats on the day of a practice / game. Y'all are also welcome to donate waters, Gatorades, snacks for the team for after practices / games. Again, this is totally optional, please do not feel obligated to do any of this!

**Communication:** Please reach out to me via email ([jbeaton@conroeisd.net](mailto:jbeaton@conroeisd.net)) if you have any questions or concerns. I am generally a fast responder to emails, especially during school hours.

Let's have a great season!!! Go Hawks!!!
